

Question of 13 June 2023

Will the contract concluded with the Pavimental company implement all required renovations included in provisions of stage II and provisions for resurfacing?

Answer of Stalexport Autostrady S.A.

The HM-6-2022 contract covers all works related to surface renovation, which constitute the basis for calculating the provision for resurfacing. The HM-6-2022 contract does not cover works related to the provision for stage II. The HM-6-2022 contract also includes works that do not constitute the basis for calculating any of the above provisions.
